

# TREE FOR POSTERITY

Growth is an inevitable part of life. When an acorn is planted, a tree grows. When a family moves to an area, more families come and a city grows, just from one family's taking root on a piece of land. And so it was with Mercedes, a city important to its families, all of whom are a part of the larger world.

The world of knowledge and technology is growing, too. To keep pace, the Dr. Hector P. Garcia Memorial Library must also grow. Mercedes' residents, especially its children need a library with more books, more computers and as a result, more service area and storage space. Just as municipalities foster improvements for their citizens must participate in the growth of their public institutions, in this case the opportunity to inscribe a gold or bronze leaf to honor, commemorate, or to memorialize those events or people who have been significant in your lives. Your gift will make it possible for you to have a meaningful part in one of man's noblest endeavors— that of uplifting the human mind.

## Contribution Form:

I wish to inscribe a \_\_\_\_\_ leaf (leaves) at \$75.00 (bronze) or \$100.00 (gold) per leaf. The inscription should read as follows:

1st Leaf \_\_\_\_\_

---

---

---

2nd Leaf \_\_\_\_\_

---

---

---
