THANK YOU

ORDINANCE NO. 2022-11

AN ORDINANCE REPEALING ORDINANCE 2005-14 AND ORDINANCE NO. 2018-20 BY THE CITY COMMISSION OF THE CITY OF MERCEDES, DEFINING THE VARIOUS KINDS OF SOLID WASTE, THE MANNER AND WHERE IT MUST BE PLACED FOR COLLECTIONS; PROVIDING REGULATIONS FOR COLLECTING SAME AND PROHIBITING THE PLACING OF SOLID WASTE OR ANY ARTICLE OR MATERIAL IN THE STREETS AND ALLEYS OF THE CITY OF MERCEDES, PROVIDING FOR SERVICE CHARGES; PROHIBITING THE MEDDLING, SCATTERING CONTENTS, PILFERING OR JUNKING WITH GARBAGE CONTAINERS, TRASH OR RUBBISH RECEPTACLES, PROHIBITING THE COLLECTION OF GARBAGE, TRASH OR RUBBISH BY OTHER THAN CITY FORCES WITHIN THE CITY LIMITS; PRESCRIBING A PENALTY; PROVIDING A SAVINGS AND REPEAL CLAUSE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Mercedes, Texas adopted Ordinance No. 2005-14 in order to establish minimum criteria and regulations for the orderly disposal, containment, and collection of trash and garbage generated from Mercedes' properties; and,

WHEREAS, the City of Mercedes, Texas adopted Ordinance No. 2018-20 to upgrade the aforementioned regulations to better serve the general public by not having, in certain circumstances, a seemingly continuous flow of trash onto the streets and other properties of Mercedes.

NOW, THEREFORE, BE IT ORDAINED by the City of Mercedes, County of Hidalgo, State of Texas, that:

SECTION 1: This Ordinance shall be known as the "Solid Waste Ordinance of the City of Mercedes". The word "premises" as used in this ordinance shall be taken to mean business houses, boarding houses, offices, theaters, hotels, restaurants, cafes, eating houses, tourist courts, apartments, sanitariums, rooming houses, schools, private residences, vacant lots and all other places within the city limits of the city of Mercedes, where garbage, trash or rubbish accumulates in ordinary quantities.

The various kinds of solid waste shall be defined as follows:

Kitchen garbage as used in this Ordinance is meant dry kitchen refuse, all meat, vegetable and fruit refuse, small dead animals and dead fowls from any premises within the city limits.

Dry kitchen refuse as used in this ordinance is mean the solids after the liquid or slop has been drained off.

Trash as used in this ordinance is meant paper of all kinds, rags, old clothing, paper containers, old rubber, boxes, barrels, crates, feathers, grass, tree limbs from any premise within the city limits.

Rubbish as used in this ordinance is meant tin cans, bottles, glass, scrapes or iron, tin, wire or any other metals from any premises within the city limits.

SECTION 2: It shall be the duty of every person, firm or corporation owning operating, leasing or renting any premises, or any place where “kitchen garbage” accumulates, to provide a portable garbage can and the daily accumulation of kitchen garbage and dry kitchen refuse shall be placed in this garbage can. It shall also be the duty of every person, firm, or corporation owning, managing operating, leasing or renting any premises to place garbage cans inside the curb line of the street at a place designated by the City or by any business designated or contracted by the City.

SECTION 3: Places of wholesale accumulation, such as killing and dressing plants for fowl, wholesale fruit and vegetable houses, storage and other places, where the daily accumulation of kitchen garbage, trash and rubbish is more than the ordinance quantities, are not included in the service furnished by the City.

SECTION 4: Heavy material such as brick, broken concrete, lumber, ashes, clinkers, cinders, dirt and plaster, sand or gravel, automobile frames, dead trees, and other bulky, heavy material shall be disposed at the expense of the owner, by the owner, at a place designated by the City.

SECTION 5: Manure from cow lots, horse stables, poultry yards, pigeon lofts, tires, and waste oils from garages or filling stations shall be disposed of at the expense of the party responsible for same, by that party, in accordance with applicable laws.

SECTION 6: There will be no collection of kitchen garbage, trash or rubbish where same is not prepared for collection and placed as designated by the terms of this failure to comply with this provision will be an offence and each day’s failure to comply will constitute a separate offense and referred to the Municipal court.

SECTION 7: The placing of kitchen garbage, trash or rubbish or any article, thing or material, in any street or alley which may constitute a traffic hazard within the city limits is prohibited.

SECTION 8: The meddling with garbage containers, trash or rubbish receptacles or any other way pilfering, scattering contents or junking in any alley or street within the city limits is prohibited.

SECTION 9: Garbage containers shall be kept in sanitary condition and closed tightly. The contents of all receptacles shall be so protected that the wind cannot blow out and scatter same over streets, alleys and premises of the city.

SECTION 10: Existing hotels, restaurants, cafes, boarding houses, apartments, and tourist camps, have made arrangements for daily collection of trash and general garbage from the solid waste company designated or authorized by the City. Charges for collection shall be made accordingly. The city declares that if it is discovered that should such private arrangements between the above business owners, landlords, or managers and the solid waste company not be sufficient due to consistently overflowing garbage containers, then the City's Health Officer in conjunction with the City Manager's Office, shall have the authority to upgrade the size and/or frequency of the Class I bin container, as described in Attachment "A" to more adequately serve the business owner, tenant(s), and the general public. In this regard and specifically for apartments, the following guideline may be considered in a 'round-up' assessment and in any combination to satisfactorily comply with the intent of this provision: every 4 apartments to have 1 six-yard bin collected three times a week; every 10 apartments to have 1 eight-yard bin collected three times a week; 40 apartments to have 3 six-yard binds collected three times a week. This schedule is a general guideline to more properly assess the garbage needs of the apartments, and is not necessarily a mandate. Finally, in a responsible effort to minimize the effect of the garbage's odor that will emanate to adjoining properties from such bins, the City's Health Official Shall have the delegated authority to relocate the bin or bins to location(s) that will be further distant to adjoining residential structures, and that will also be convenient for all occupants, tenants, and/or the city's solid waste collection company.

SECTION 11: There shall be charges, assessed and collected from each person, firm or corporation within the city limits. The following monthly service charges for garbage will be made in accordance with the attached "Schedule A":

After adoption of this ordinance each business or commercial house will be placed within one of the foregoing classes. The City manager may, from time to time, reclassify any or all business or commercial houses as in his option is just and necessary. The above charges shall be billed each month as a separate item on the water bill of all residences and business or commercial houses having a water meter, and shall be paid contemporaneously with said water bill, otherwise service will be discontinued. In cases where a residence or commercial house has no water meter, said charges shall be billed each month by United States Mail and shall be paid within 15 days from the date of such monthly bill, otherwise service will be discontinued. All sums of money collected hereunder shall go into the General Fund of the City.

SECTION 12: Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not more than \$200.00 and each day such violation continues shall constitute a separate offense.

SECTION 13: The City Inspector and/or Code Enforcement Officer shall have the authority to issue a citation for violation of the terms and conditions of this Ordinance and any subsequent amendments, pursuant to Local Government Code, Chapter 54.

SECTION 14: That all ordinances, or parts of ordinances in conflict herewith are hereby repealed. That if any portion, section, subsection, phrase, sentence, or clause of this ordinance shall be declared invalid for any reason, such invalidity shall not affect the remaining provisions of this Ordinance or their applications to other persons or sets of circumstances, and to this end, all provisions of this Ordinance are declared to be severable.

SECTION 15: That this Ordinance shall become and be effective in accordance with the City Charter of the City of Mercedes, Texas and the laws of the State of Texas. Ordinance No. 2005-14 and Ordinance 2018-20 is expressly herewith repealed.

ORDINANCE NO. 2022-12

AN ORDINANCE BY THE CITY COMMISSION OF THE CITY OF MERCEDES DEFINING BRUSH, THE MANNER AND WHERE IT MUST BE PLACED FOR COLLECTION; PROVIDING REGULATIONS FOR COLLECTING SAME AND PROHIBITING THE PLACING OF BRUSH OR ANY ARTICLE OR MATERIAL IN THE STREETS AND ALLEYS OF THE CITY OF MERCEDES, PROVIDING FOR SERVICE CHARGES; PROHIBITING THE MEDDLING, SCATTERING CONTENTS, PILFERING OR JUNKING OF BRUSH AND TRASH, PROHIBITING THE COLLECTION OF BRUSH BY OTHER THAN THOSE DESIGNATED OR AUTHORIZED BY THE CITY WITHIN THE CITY LIMITS; PRESCRIBING A PENALTY; PROVIDING A SAVINGS AND REPEAL CLAUSE; PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MERCEDES, TEXAS,

SECTION 1. This Ordinance shall be known as the “Brush Ordinance of the City of Mercedes”. The word “premises” as used in this ordinance shall be taken to mean business houses, boarding houses, offices, theaters, hotels, trailer or mobile home parks, restaurants, cafes, eating houses, tourist courts, apartments, sanitariums, rooming houses, schools, private residences, vacant lots and all other places within the City limits of the City of Mercedes, where garbage, trash or rubbish accumulates in ordinary quantities.

Brush as used in this ordinance is meant tree limbs, grass clippings, tree trunks, and hedge cuttings from any premise within the city limits.

SECTION 2. It shall be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises, or any place where brush accumulates, to place brush inside the curb line of the street at a place designated by the City or by any business designated or contracted by the City. It shall also be the duty of every person, firm or corporation owning, managing, operating, leasing or renting any premises to cut tree limbs not exceeding four (4) feet in length, cut tree trunks not exceed ~~eighty (80)~~ fifty (50) pounds. Leaves, grass and hedge clippings and cuttings are to be placed in plastic garbage bags.

SECTION 3. Materials such as brick, broken concrete, lumber, ash, clinkers, cinders, dirt and plaster, sand or gravel, automobile frames, dead trees, and other bulky, heavy material shall be disposed at the expense of the owner, by the owner, at a place designated by the City.

SECTION 4. There will be no collection of brush where same is not prepared for collection and placed as designated by the terms of this ordinance and failure to comply with this provision will be an offense and each day's failure to comply will constitute a separate offense and referred to the Municipal Court. The brush shall be placed away from any water or gas meters.

SECTION 5. The placing of brush, rubbish, building material or any article, or thing in any street or alley which may constitute a traffic hazard within the city limits is prohibited.

SECTION 6. The meddling with brush or any other way pilfering, scattering contents or junking in any alley or street within the city limits is prohibited.

SECTION 7. Places of wholesale accumulation, such as killing and dressing plants for fowl, wholesale fruit and vegetable houses, storage and other places, where the accumulation of brush is more than the ordinary quantities, are not included in the service furnished by the City.

SECTION 8. In the business district and from hotels, restaurants, cafes, boarding houses, sanitariums, and tourist camps, additional collections will be made if arrangements for same are made through the company or business designated or authorized by the City.

Brush shall be prepared for collection to be made one time per month, the day of such collection to be announced by the designated official.

SECTION 9. There shall be charged, assessed and collected from each person, firm or corporation within the city limits. The following monthly service charges for brush will be made as follows.

CHARGE FOR REMOVAL

It is the express intent and purpose of this Ordinance to fairly, reasonably and equitably apportion the costs of the collection and removal of brush within the City Limits of Mercedes. In computing the charge made to any residence, duplex, triplex, apartment house, tenement house, or trailer court as unit, all apartments, tenements or trailers therein shall be deemed to be occupied unless the water meter serving the building is disconnected. In all cases, if a water meter is in the service, the house and all apartments or units served by that meter shall be deemed to be occupied.

RESIDENTIAL and Commercial: The rate for residential ~~and commercial~~ service shall be \$4.50 per month.

COMMERCIAL: The rate for commercial service shall be \$7.00 per month.

APARTMENT HOUSES: The rate for apartments, where all apartments are on one meter shall be the same as the applicable residence rate, plus \$2.00 per month for each apartment unit in excess of one, whether or not all of such units are rented.

TRAILERS OR MOBILE HOME UNITS: The minimum charge for trailer or mobile home units shall be \$2.00 per month per active trailer space, whether the trailer thereon is occupied or unoccupied.

BUSINESS, PROPERTY, PREMISES, OR BUILDING NOT OTHERWISE CLASSIFIED OR COVERED: If any business, commercial institution, or property situated in Mercedes Shall not be specifically listed in any of the forgoing schedules, said business, institution, or property shall be classified and charged the rate of a like or similar business listed in said schedule. In the event a controversy arises as to the proper classification, the City Commission, after a hearing with the interested party, shall determine the classification and rate and said determination shall be final and conclusive.

The above charges shall be billed each month as a separate item on the water bill of all residence and business or commercial houses having a water meter, and shall be paid contemporaneously with said water bill, otherwise service will be discontinued. In cases where a residence or commercial house has no water meter, said charges shall be billed each month by United States Mail and shall be paid within 15 days from the date of such monthly bill, otherwise service will be discontinued. All sums of money collected hereunder shall go into the General Fund of the City.

SECTION 10. Construction Material – Construction material resulting from small remodeling projects may be disposed at the roll-off container as designated and authorized by the City. The person hauling the construction material shall comply with the policy established by the City pertaining thereto. Contractor's must contract directly with the company or business designated and authorized by the City. The City will not accept any hazardous materials.

SECTION 11. Any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not more than \$200.00 and each day such violation continues shall constitute a separate offense.

SECTION 12. That all ordinances, or parts of ordinances in conflict herewith are hereby repealed. That if any portion, section, subsection, phrase, sentence, or clause of this ordinance shall be declared invalid for any reason, such invalidity shall not affect the remaining provisions of this ordinance or their application to other persons or sets of circumstances, and, to this end, all provisions of this ordinance are declared to be severable.

SECTION 13. That this Ordinance shall become and be effective in accordance with the City Charter of the City of Mercedes, Texas, and the laws of the State of Texas. Ordinance 2006-17 is expressly repealed herewith.

ORDINANCE 2022-13

AN ORDINANCE AMENDING ORDINANCE 2022-06 BY THE CITY COMMISSION OF THE CITY OF MERCEDES, TEXAS, UPDATING THE RE-READ FEES; ESTABLISHING PAYMENT ARRANGEMENTS; PROVIDING A LIMIT ON PAYMENT ARRANGEMENTS; PROVIDING FOR A SAVINGS AND REPEAL CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MERCEDES, TEXAS:

SECTION 1: Amending “Schedule D – Payment, Penalty for Late Payment; Termination of Service, NSF Charge” of Ordinance 2022-06 to read as follows:

All bills including water, sewer, refuse, and special assessments, will be due 15 calendar days from the date of issue of such bill. If payment is not received by said due date, a penalty of ten percent (10%) shall be added to the original amount. Should any account remain unpaid for seven (7) days past the due date, the customer shall be considered delinquent and services terminated without further notice. Customers must pay the full amount due for utility and garbage services before service is reconnected. No new utility accounts may be opened for a customer who has an outstanding delinquent account for utility services. Other services, such as building permit sales may be withheld until such time the utility account is paid in full. A \$25.00 fee will be charged to any account that is disconnected and an additional \$25.00 fee will be charged to reinstate the account, a total of \$50.00. After a customer has been disconnected, no one shall make a reconnection or obtain any water by any manner from the disconnected place, except by authorized employees of the Water Department. An NSF charge of Thirty Dollars (\$30.00) will be made to the customer’s account for each returned check. If a customer requests a reread of their meter, and the initial reading by the City is correct, there will be a ~~\$10.00~~ \$35.00 service call fee added to the customer’s current monthly bill.

It shall be unlawful for any person or firm not so authorized, to tamper, share, adjust, replace or misuse any water meter owned by the City of Mercedes. Any person in violation of this section shall be fined Five Hundred Dollars (\$500.00) plus any damages as a result of such tampering plus an administrative fee, and estimated rate loss. The City has the right to file criminal charges in court.

SECTION 2. Including a “Schedule G – Payment Arrangement and Failed Payment Arrangements” to Section 1 of Ordinance 2022-06 and to read as follows:

Payment arrangements must be made through the Utility Billing Department for any utility services. A payment arrangement may be requested at any time during the year; however, if an account has three failed arrangements in a twelve (12) month period, no more payment arrangements will be allowed and disconnection will commence.

SECTION 3. If any section, subsection, phrase, sentence, clause or provision of this ordinance shall be declared invalid for any reason, such invalidity shall not affect the remaining provisions of this Ordinance or their applications to other persons or sets of circumstances, and to this end, all provisions of this ordinance are declared to be severable and all ordinances or parts of ordinances regarding water and sewer rates, in conflict herewith are hereby repealed.

SECTION 4. This ordinance shall become and be effective in accordance with the City Charter of the City of Mercedes, Texas and the laws of the State of Texas.

Cities Served by Texas Gas Service (TGS) Company Rio Grande Valley Service Area:

We have reached a settlement of TGS's 2022 Cost of Service Adjustment (COSA) case. In its application, filed on April 28, the Company requested a system-wide increase of \$3,717,040. After settlement discussions earlier this week, the parties agreed to an increase of \$2,750,000. This equates to a \$967,040 reduction to the Company's request. This compares to \$3,842,357 that was approved last year. We believe this is a good outcome and recommend the cities adopt these terms. The new rates will go into effect with meter reads after July 27. I am attached the documents you will need for your city to approve the TGS RGV COSA. I have attached three items to this email:

1. An ordinance your City may use to adopt the attached settlement agreement.
2. The new tariffs. These should be identified as Attachment A to the Ordinance.
3. A model staff report.

You will notice that there is no separate settlement agreement. By adopting the tariffs you will be adopting rates consist with our agreement. Please set this on an agenda prior to July 27. Once you have adopted the ordinance and tariffs, please send a signed copy to me and to TGS. If you need more time to act, please let me know. Please contact me if you have questions. Thomas

ORDINANCE NO. 2022-15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MERCEDES, TEXAS, (“CITY”) APPROVING A NEGOTIATED RESOLUTION BETWEEN THE CITY AND TEXAS GAS SERVICE (“TGS” OR “THE COMPANY”) REGARDING THE COMPANY’S APRIL 28, 2022 COST OF SERVICE ADJUSTMENT (“COSA”) FILING; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING NEW TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT AND FINDING THE RATES TO BE SET BY THE ATTACHED TARIFFS TO BE JUST AND REASONABLE; PROVIDING FOR THE RECOVERY OF THE CITY’S AND TGS’ REASONABLE AND NECESSARY RATE CASE EXPENSES; ADOPTING A SAVINGS CLAUSE; DETERMINING THAT THIS ORDINANCE WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; DECLARING AN EFFECTIVE DATE; REPEALING ANY PRIOR ORDINANCES INCONSISTENT WITH THIS ORDINANCE AND REQUIRING DELIVERY OF THIS ORDINANCE TO THE COMPANY’S AND THE CITY’S LEGAL COUNSEL.

WHEREAS, the City of Mercedes, Texas (“City”) is a gas utility customer of Texas Gas Service (“TGS” or “the Company”), and a regulatory authority with an interest in the rates and charges of TGS; and

WHEREAS, pursuant to the terms of the agreement settling TGS’ 2017 Statement of Intent to increase rates, to which City was a signatory, the City and other municipalities within the Rio Grande Valley Service Area and TGS worked collaboratively to develop the Cost of Service Adjustment (“COSA”) tariff that allows for an expedited comprehensive rate review process; and

WHEREAS, on or about April 28, 2022, TGS filed with the City a COSA tariff seeking to increase natural gas rates to all customers residing in the City; and

WHEREAS, the Company requested a system-wide increase of \$3,717,040; and

WHEREAS, the City coordinated a review of TGS' COSA filing and designated attorneys and consultants to resolve issues in the Company's COSA filing; and

WHEREAS, the Company has filed evidence that existing rates are unreasonable and should be changed; and

WHEREAS, independent analysis by the City's rate expert concluded that TGS is able to justify an increase over current rates; and

WHEREAS, the City's attorney and consultant recommend that the City approve the Settlement Agreement reflecting increased revenues of \$2,750,000 on a system-wide basis; and

WHEREAS, the attached tariffs implementing new rates are consistent with the negotiated resolution reached by the City and are just, reasonable, and in the public interest; and

WHEREAS, the negotiated resolution of the Company's COSA filing and the resulting rates are, as a whole, in the public interest; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MERCEDES, TEXAS:

Section 1. That the City Council finds that the existing rates for natural gas service provided by TGS are unreasonable and the new tariffs implementing this Ordinance, which are attached hereto and incorporated herein as Attachment A, are just and reasonable and are hereby adopted.

Section 2. That a rate increase of \$2,750,000 on a system-wide basis is reasonable.

Section 3. That TGS shall reimburse the reasonable ratemaking expenses of the City in processing the Company's rate application.

Section 4. That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Ordinance, it is hereby repealed.

Section 5. That the meeting at which this Ordinance was approved was in all things conducted in strict compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

Section 6. That if any one or more sections or clauses of this Ordinance is adjudged to be unconstitutional or invalid, such judgment shall not affect, impair, or invalidate the remaining provisions of this Ordinance and the remaining provisions of the Ordinance shall be interpreted as if the offending section or clause never existed.

Section 7. That the tariffs attached as Attachment A to this Ordinance shall become effective for meters read on and after July 27, 2022 consistent with the COSA tariff.

Section 9. That a copy of this Ordinance shall be sent to TGS, care of Stephanie Houle, 1301 South Mopac, Suite 400, Austin, Texas 78746, and to Thomas L. Brocato, Special Counsel to the City, at Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701.

PASSED AND APPROVED this 19th day of July, 2022.

Model Staff Report in Support of TGS COSA Rate Increase Ordinance

Background

On April 28, 2022, Texas Gas Service Company (“TGS” or “Company”) filed for a rate increase pursuant to the Cost of Service Adjustment (“COSA”) tariff adopted by the Rio Grande Valley Service Area (“RGVSA”) Cities. TGS claimed an entitlement to rate relief under the tariff in the amount of \$3,717,040 on a system-wide basis. Attorney, Thomas Brocato, and consultant, Karl Nalepa, relied upon by the city coalition to review the TGS filing and negotiate a settlement, agreed to recommend a settlement of \$2,750,000 on a system-wide basis.

Purpose of the COSA

The Texas Legislature allows gas utilities to annually adjust rates based on changes to invested capital. That statutory provision is referred to as the Gas Reliability Infrastructure Program (“GRIP”). In a GRIP proceeding, cities are not allowed to intervene at the Railroad Commission, cannot challenge the reasonableness of any investment, and may not recover rate case expenses. In 2009, RGVSA Cities negotiated a COSA tariff as a three year experimental substitute for the GRIP process. Finding the COSA process to be mutually beneficial, the COSA process was renewed at the end of the experiment. In 2012, Cities and TGS agreed to a revised COSA tariff. In 2017, Cities and TGS agreed to revise the existing COSA tariff. This is the fifth filing under the revised tariff.

Resolution of the 2022 Filing

Cities’ consultant found that TGS’ cost of service calculations were consistent with the terms of the COSA tariff. However, he identified several adjustments that were appropriate. After meeting to discuss the adjustment, the parties were able to reach negotiated resolution of the 2022 COSA.

In summary, the parties agreed to a total revenue requirement adjustment of \$967,040 off of the Company’s original request of \$3,717,040. The agreed reductions to the revenue requirement results in a total increase of \$2,750,000.

EXPLANATION OF “BE IT ORDAINED” PARAGRAPHS IN THE ORDINANCE

- Section 1. When rates change, it is critical for the regulatory authority to find existing rates to be unreasonable and for the new rates to be just and reasonable. This section finds that the new rates reflected in tariffs for each customer class attached to the Ordinance are reasonable.
- Section 2. This paragraph authorizes TGS to collect an additional \$2,750,000 in revenue.
- Section 3. This paragraph requires the Company to reimburse the City for consulting and legal costs associated with the requested increase.

- Section 4. This paragraph repeals any prior City action that might be inconsistent with the new tariffs adopted by the Council.
- Section 5. This paragraph recites compliance with the Open Meetings Act.
- Section 6. This paragraph is a typical savings clause, preserving the remaining provisions of the Ordinance should any one provision be determined to be invalid.
- Section 7. Pursuant to the COSA tariff, the new rates are to become effective on or after the first billing cycle of August each year. This paragraph allows the Company to implement the new rates on meter reads that occur on or after July 27, 2022.
- Section 8. This paragraph requires that an adopted and signed copy of the Ordinance be sent to the Company and outside counsel to the City.

RECOMMENDATION

The City staff recommends adoption of the Ordinance and tariffs establishing new rates.

TERMS AND CONDITIONS

FEE: For new contracts, payment of the annual fee (or pro-rated portion) is due within 30 days of acceptance of the Agreement by LoneStar Logos Management Company, LLC ("LSL"). Failure to timely tender payment voids this Agreement. Returned checks shall be subject to a \$30 fee. Prices quoted reflect a 3% discount for payment by cash or check. Credit card payments will be charged the full amount, which is 3% above the quoted price.

NOTICES: Participant agrees that future notices may be sent to the email or physical address provided above concerning changes to the program. Future renewals of this Agreement may be accomplished electronically or by mail. By making a renewal payment, Participant agrees to all terms and condition set forth in notice.

LOGO SIGN PLACARDS: Participant shall provide all logo sign placards for this Agreement in accordance with TxDOT specifications. LSL or TxDOT reserves the right to reject any design or logo that it does not deem acceptable. The logo placard shall be provided to LSL within 30 days of the acceptance of this Agreement by LSL. The Participant will retain ownership of the individual logo sign placards.

MAINTENANCE AND REPAIRS: LSL will inspect the specific service signs at reasonable intervals. Participant shall promptly notify LSL of any damage to, or disrepair of the specific service signs and LSL shall promptly notify Participant of any damage to or disrepair of Participant's logo sign placard. Upon notice from LSL, Participant shall promptly provide LSL with a new logo placard for reinstallation due to theft, vandalism, damage or for any other reason.

AUDITS: Participant shall be subject to inspection at any time to assure compliance with rules and regulations for eligibility in the applicable program. In the event of breach, participant shall be in default.

COMMENCEMENT OF SERVICE: The commencement date for service is the actual date of installation of the specific service sign, if the logo placard is provided within 30 days of the acceptance of this Agreement. Otherwise, service shall commence 30 days from acceptance of this Agreement by LSL.

INDEMNIFICATION: Participant warrants that its logo placard does not infringe upon any trademark or copyright. Participant agrees to defend, indemnify, and hold LSL and TxDOT free and harmless from any and all loss, liability, claims and demands, including attorney's fees, arising out of the character, contents or subject matter of Participant's logo placard.

SEVERABILITY: This contract is to be governed by and construed under the laws of the State of Texas. For any action or proceeding relating to this Agreement or its subject matter, venue shall lie exclusively in Travis County, Texas. If any provision of this Agreement is found to be unenforceable, such finding shall not affect the enforceability of the remaining provisions. To the extent permitted by applicable law, Participant hereby waives any provision of law which tenders any provision hereof unenforceable.

INTERRUPTIONS TO SERVICE: LSL and TxDOT shall not be liable for loss or damage, actual or consequential, for delay or disruption of service for any reason. However, if a sign is not in place for a period exceeding thirty days due to no fault of participant, the Participant will be credited or reimbursed the annual fee on a pro- rated basis. If Participant is temporarily closed, the sign may be covered until Participant reopens and Participant shall not be entitled to a refund for those periods. Closure for more than 30 days shall constitute a default of this Agreement.

CANCELLATION: This Agreement is subject to cancellation by TxDOT or LSL at any time for any reason. In that event, Participants sole recourse and remedy is a pro-rated refund of any unearned, prepaid charges.

MERGER: This Agreement constitutes the entire agreement between Participant and LSL. LSL shall not be bound by any stipulation, condition or agreement, not set forth herein. Waiver by LSL of any breach of any provision shall not constitute a waiver of any other breach of that provision or any other provision.

DEFAULT: In the event of any default of this Agreement by Participant, Participant shall forfeit all fees and LSL may collect the entire Agreement balance and shall be entitled to reasonable attorney's fees and costs incurred in collecting any unpaid balance. Default amounts shall accrue interest at the maximum legal rate from the date they become past due. Upon any default, Participant's sign will be removed and there shall be no further obligation on the part of LSL or TxDOT.

EMERGENCY RESPONSE: Participant agrees to immediately respond to inquiries from LSL regarding availability of services during an evacuation or declared emergency.

MILITARY SERVICE: If Participant is an individual, Participant expressly warrants that he/she is not in the military and will not join the military during the term of this Agreement without notifying LSL.

Re: FY 2023 Local Match for Valley Metro Bus Service

Dear Mr. Perez,

On behalf of the Lower Rio Grande Valley Development Council, we would like to thank you for your continued support of Valley Metro's Regional Public Transportation System. Through our flexible routes and on-demand services, Valley Metro provides safe & reliable transportation to residents seeking access to health care, education, employment, shopping, recreation, and other needs. We continue to promote our services to the public, elderly, & people living with disabilities through mass media and community outreach, with the goal being to foster economic growth, connect communities, and improve the quality of life for the people of Mercedes.

The LRGVDC is currently providing service to the City of Mercedes through Route 31 – Business 83, which operates Monday – Saturday from approximately 6:00 AM – 8:00 PM.

As you are aware, we are in continuous agreement requiring a local match for Federal Transit Administration grant funds to operate the service. The new fiscal year begins October 1, 2022, and the LRGVDC is kindly requesting The City of Mercedes local match in the amount of \$33,000.

LRGVDC staff members are ready to work with your staff to address any questions or concerns you might have. We look forward to continuing our collaborative relationship for the further advancement of The City of Mercedes and its residents.

Sincerely,

Maribel Contreras
 Director of Regional Transit, Valley Metro

Subject: Contract Renewal for Higher Education Training and Workforce Development Skills for Mercedes Residents
Request for FY 2022-2023: \$50,000.00 Benchmark 10

Dear Mr. Perez,

First and foremost, thank you very much for the continued partnership between the City of Mercedes and VIDA to provide financial assistance and support services to economically disadvantaged Mercedes residents to achieve career success. This partnership ensures Mercedes residents have equitable education and workforce development opportunities in target demand occupations. With your continued support, we are in a unique position to provide much needed services to our underserved demographic as we continue to recover from the long-term effects of a global pandemic. As you commence the arduous work of budget review, we have prepared information that will assist in the process. Enclosed please find:

- City of Mercedes Progress Report year to date for current funding.
- VIDA's 2021 Annual Report
- VIDA's FY 20-21: Closing Annual Summary: 464 Valley residents were served during FY 20-21 with an average income after graduation of **\$45,614.40** per year with benefits.

A recent Economic Impact Study conducted by UTRGV demonstrates that VIDA's work has a positive incremental economic impact in the Rio Grande Valley. The study reports that for every \$1 invested in VIDA and its participants, there is a **\$14.74** return on investment to the communities that we serve. **This translates to a return on the community's investment of \$29.6 million dollars in additional jobs, income, taxes and output in the local economy.**

VIDA is proud to report that the benchmark of individuals served under the current contract was exceeded. This is only possible through the leveraging of County, State and private funding. Your commitment to empowering our at risk youth and adult learners demographic with the necessary resources and tools to break the cycle of poverty and pave the way to self-sufficiency is critical for enhancing employment opportunities and responding to the needs of local industry. **VIDA respectfully requests an increased investment from \$20,000 to \$50,000 to serve 10 Mercedes residents in FY 22-23 and have the opportunity to expand our outreach and impact.** We look forward to continuing the work that we do in partnership with the City of Mercedes to impact sustainable economic growth in the region...one VIDA at a time.

Respectfully,

Felida Villarreal, CPA
Executive Director

IN THE REGION...
ONE VIDA AT A TIME

THERE ARE NO ACCIDENTS

Because VIDA has been changing lives in the Rio Grande Valley for more than a quarter of a century, the chances of having an encounter with a VIDA graduate is high, especially in health-care facilities and other high-demand industries. But this one in August 2021, as told by Priscilla Alvarez, VIDA's executive director, took "VIDA Graduate Encounter" to an entirely new level.

"As I'm getting prepped for surgery at Cornerstone Regional Hospital in Edinburg, I am soaking in my nurse's confidence as she interviews me and prepares me for my pre-op meds. I casually ask her if she's ever heard of VIDA, and her response was THE best! She said VIDA helped her get through school. She was a single parent on food stamps with lots of other barriers. We helped her get her ADN. Then she went on to get her BSN and is now contemplating her MSN."

This nurse, who prefers to remain anonymous, called Christina Ramirez in the room to assist her. It turns out Christina was a VIDA participant, too, and she went on and on about how important VIDA was to her success.

AND THERE'S MORE! CHRIS' SISTER, BASILIA LÓPEZ, WAS ALSO A VIDA PARTICIPANT, AND LAST MAY, CHRIS' DAUGHTER, SARA, ANOTHER VIDA PARTICIPANT, GRADUATED.

VIDA is the Spanish word for "life." This organization is committed to changing the lives of all those who enter our doors.

There are no accidents, and each of these encounters is a source of motivation for what we do each day.

ANNABEL RODRIGUEZ

Annabel Rodriguez a single 23-year-old female from Elsa, single, no children, living with parents and siblings at a household of 6. Annabel's mother works as a health care provider for her grandmother and father is retired on social security benefits. The family at the time of application fell below the OMB income guidelines to qualify her for VIDA assistance. Annabel graduated with her LVN degree in Fall 2020 and transitioned to the A.D.N. degree right away and is scheduled to graduate this Spring 2022.

Annabel states, "VIDA welcomed me with open arms and provided me with moral and financial support that has tremendously enabled me to continue my education. I will be the first generation in my family to graduate college. I was assigned to a counselor who I met with weekly to discuss my progress and concerns. It was something that kept me going when the vocational nursing program was getting quite tough. I also graciously received funding from VIDA that allowed me to purchase all of my school supplies, which I would not have been able to afford on my own. These supplies included my uniforms, shoes, stethoscope, blood pressure cuff, penlight, backpack, and textbooks, etc. All in all, VIDAs support made my enrollment in my program go much smoother and I am very grateful to them. After graduation I will be able to sit for my NCLEX-PN exam and hopefully pass and become an LVN. I will be in a field I love and better able to financially support my family and myself."

RIO GRANDE VALLEY COMMUNITY PROFILE

While the Rio Grande Valley is home to foreign trade zones, the new SpaceX Boca Chica Launch Site in Brownville, and a developing liquefied natural gas exporting industry, it is also one of the poorest regions in the country. In fact, January 2, 2020, 24/7 Wall St., LLC, published "The Poorest County in Every State" by Samuel Stebbins. Stebbins identified Starr County, one of four counties that comprise the Rio Grande Valley, as the poorest county in Texas, based on these figures:

- Median household income: \$29,294 (state: \$59,570)
- Poverty rate: 35.3% (state: 15.5%)
- Oct. 2019 unemployment: 9.6% (state: 3.4%)
- Adults with a bachelor's degree: 10.3% (state: 29.3%)

A glimpse of the Rio Grande Valley Community Profile clearly illustrates the need for VIDA.

THE NEED FOR VIDA

December 3, 2020, Samuel Stebbins published "Cities With the Worst COVID-19 Unemployment Crisis Right Now" on the 24/7 Wall St. website. He begins this piece with, "After HIV/AIDS, COVID-19 is the deadliest pandemic the world has faced in over a century. And in the United States, the virus has ushered in an economic crisis of a scale not seen since the Great Depression."

Stebbins goes on to explain that 24/7 Wall St. identified cities across America with double-digit unemployment, based on their September 2020 unemployment rate reported by the Bureau of Labor Statistics.

Stebbins ends his introduction to the list with this: "Many of the metro areas with double-digit unemployment are also home to large populations living below the poverty line. In these areas, the rapid evaporation of jobs has added further financial strain on households that were already struggling."

It was no surprise to the VIDA staff that the areas we serve were ranked in this report.

#11 ON THE LIST: MCALLEN-EDINBURG-MISSION, TX (HIDALGO COUNTY)

- > Sept. 2020 unemployment rate: 13.0%
- > 1 yr. employment change: -5.4%
- > Largest industry: Education and health services (29.8% of local jobs)
- > Population: 868,707

The McAllen-Edinburg-Mission, Texas, metro area shed a total of 14,500 jobs in the past year, equal to over 5% of its total labor force. Due in large part to job losses in manufacturing, mining and construction and leisure and hospitality, the metro area's September unemployment rate was 13.0%, well above the 7.9% U.S. rate.

The area is already struggling with high poverty, and the job losses are putting even more residents at risk of serious financial hardship. An estimated 27.3% of McAllen metro area residents live below the poverty line, the highest poverty rate of any metro area in the country and more than double the 12.3% national poverty rate.

#23 ON THE LIST: BROWNSVILLE-HARLINGEN, TX (CAMERON COUNTY)

- > Sept. 2020 unemployment rate: 11.2%
- > 1 yr. employment change: -6.1%
- > Largest industry: Education and health services (29.3% of local jobs)
- > Population: 423,163

The Brownsville-Harlingen metro area, the southernmost in Texas, has a near nation-leading 11.2% unemployment rate. Over the past year, due in large part to the economic fallout from the COVID-19 pandemic, the area shed nearly 9,000 jobs, and the September 2019 unemployment rate of 5.5% more than doubled.

The industries hit hardest in the area were leisure and hospitality, which reported an 18.1% employment decline, and information, which shed about 14.3% of its workers.

ADDRESSING ESSENTIAL NEEDS IN THE RIO GRANDE VALLEY

One year ago, VIDA launched its Craft Trades Initiative, training commercial electricians. It was both a challenging and an exciting year for the Commercial Electrician Program.

In 16 months, at a time when every aspect of our community faced adversity brought on by COVID-19, VIDA established a cohort of 70 commercial electricians from across the Rio Grande Valley. With so much uncertainty, waiting around was not an option; acquiring a new skill was the only way forward for so many people in our region.

The construction industry was identified as an “essential” industry, and many people, now unemployed, needed to put food on the table. It was not easy to start a training program in the middle of COVID; there were still so many unknowns. But VIDA has never been known for doing what’s easy; we are known for addressing the needs of the people and the industries in our region. Today, we can boast a Commercial Electrician Level 1 graduation rate of 85% for this cohort; all graduates were placed with local commercial contractors. They are now certified under the National Center for Construction Education and Research (NCCER), a globally recognized credential. They have also gotten OSHA 10 certified and have completed 63 hours of the National Electrical Code® book.

During their training, these students learned electrical theory and wiring code and how to wire three-way and four-way switches, bend conduit pipe around obstacles, read an electrical panel, read blueprints, and use a multi-meter. Now these students make, on average, \$18 an hour.

They went from being laid off, not knowing where to turn, to enjoying a much brighter future.

“It has been exciting for all of us at VIDA to see these students starting their career as electricians, an industry poised for exponential growth,” said Sid Ramos, VIDA workforce development manager. “You see the confidence in their faces every day when they come to class. There is purpose in their eyes as they look toward the future. There is nothing better than giving people the opportunity to learn a skill that will serve them for the rest of their lives. As the old adage goes, ‘Give a man a fish, and he will feed himself for a day, but teach a man how to fish, and he will feed himself for the rest of his life.’”

This holds true for men and women of all ages, and VIDA’s mission is to continue teaching our participants how to “fish.”

NOTE: IN OCTOBER 2021, LEVEL 2 TRAINING FOR THIS COHORT’S FOUR-YEAR PROGRAM BEGAN. WE CONTINUE TO BE INSPIRED BY THEIR PROFESSIONAL GROWTH, PRIDE, AND SUCCESS.

STRUCTURAL WELDING PROGRAM ALLOWS GRADUATE TO SOAR WITH SPACEX

After Manuel Reta graduated from Pace High School in Brownsville, he worked in positions that did not require a certificate or degree—in call centers, for a cable company, and at the Port of Brownsville. Reta did not have the qualifications needed to work in industries that pay higher salaries, and he struggled to make ends meet. And it only went downhill from there.

During the pandemic, Reta was laid off. Now unemployed, he relied on Supplemental Nutrition Assistance Program (SNAP) benefits to pay for food. Reta knew he needed to earn a marketable skill in a high-demand field to change the course of his life.

One day, as he scrolled on Facebook, Reta saw a post about VIDA. As he read on, “structural welding” piqued his interest. While working at the Port of Brownsville, Reta saw, firsthand, the work of skilled welders. Knowing SpaceX “landed” Starbase, its private rocket-production facility, test site, and spaceport, on Boca Chica Beach (approximately 20 miles east of Brownsville), Reta saw a clear career opportunity and a way to provide a much better life for himself, his wife, and their baby son.

VIDA formed a partnership with Super Welders Academy, LLC, in Brownsville, the Texas Workforce Commission, and NEXDEC Industries, a welding and fabrication company in Brownsville, to provide a Structural Welding Program. Upon completion of the five-week course, students earn certification as structural welders from Jesus Hernandez, lead instructor at Super Welders Academy and a certified welder inspector, and are guaranteed employment with NEXDEC. Despite having no welding experience, Reta developed the skills quickly, completed the course, and accepted a position with NEXDEC.

“Welding has always been something I wanted to do, and I have known it pays well,” said Reta. “With VIDA’s help, I am now certified as a structural welder.”

SpaceX contracted NEXDEC, and Reta found himself working at the site he envisioned during his unemployment. After one month, a SpaceX administrator offered Reta a job with the aerospace company as a launch pad technician, allowing him to continue to hone his structural-welding skills.

“As a launch pad technician, I play many roles,” Reta explained, “but my ground level-skill is welder. Rocketry is not a cookie-cutter thing; one day the team may be installing pipes, wires, or equipment or trenching, or I can get called to weld. It just depends on the day.”

This new career path has allowed Reta to soar, and he is quick to acknowledge the role VIDA played in helping him live his dream.

“Without this skill and certificate, I wouldn’t have had this opportunity of working at Space X,” he said. “Without the assistance from VIDA in paying for my welding training, I would not have had this opportunity. The training has given me direction in a career that has a lot of opportunity, and thanks to VIDA, the future looks good for me and my family.”

OUR PHILOSOPHY

Sustainability is at the heart of VIDA's philosophy. Relentless focus to promote socioeconomic development across the Rio Grande Valley by expanding accessibility to career-training programs is key. VIDA is a proven model for success, graduating participants in targeted demand occupations with competitive wages. The ultimate goal is not job placement but rather job retention because workforce retention develops a community comprised of self-sufficient taxpayers representative of human-capital investment. VIDA's graduates not only help the families they support and the businesses that employ them, but transitioning from unemployment and public assistance to self-sufficiency helps the overall growth of our community.

OUR MISSION

VIDA's mission is to formulate new institutional relationships in the Rio Grande Valley that simultaneously address employers' needs for skilled workers and prepare the area's unemployed and underemployed residents for high-skill, high-wage jobs identified in the region.

OUR UNIQUE SERVICE STRATEGY

VIDA's unique program model is at the core of its success, demonstrated by an average 93 percent persistence rate for participants enrolled in career-training programs. Our career counselors work diligently with all participants on an individual basis to address social and economic barriers that historically prevent our underserved demographic from successfully graduating with an industry-recognized credential or degree. Financial struggles, family responsibilities, life stressors, and time management represent a few of the topics addressed during weekly counseling sessions. In addition, VIDA counselors infuse group sessions with soft-skills training, such as resume building, interview preparation, financial management, and effective study skills. Guest speakers are invited to speak to our participants about retirement planning, investments, and personal budgeting, among many other lifelong elements for professional success.

VIDA recognizes that financial barriers for our participants go beyond the inability to sustain the cost of tuition. Because of the invaluable support from local and state governments, as well as private foundations and individual donors, VIDA is able to facilitate accessibility to higher education by subsidizing high academic costs. These wrap-around services, combined with training through our strong partnerships with educational institutions in the Rio Grande Valley, equip VIDA participants with the knowledge, skills, support, and commitment necessary to enter--and excel in--the workforce.

"The Valley Initiative for Development and Advancement (VIDA)...connects under- and unemployed individuals with certificate and degree programs in high-growth sectors where jobs offer living wages, benefits, and opportunities for professional advancement. VIDA serves a primarily Latino population in four Lower Rio Grande Valley counties that rank among the poorest in the nation."

65489	Mowing Weedy Lot (Planning)	Juan Vega Jr.	942 Santos Ave, Mercedes, TX, 78570, USA	2022-06-30 10:54:53		Jose Moreno 956-642-2233 came by regarding a letter he received from Bernie Mata regarding the grass that extents beyond his property line towards the street and ally. I explained to Mr. Moreno that he as the property owner is responsible to mow this area. He is asking if the city can mow it this time since he was unaware of the ordinance. He stated he will maintain it thereafter.

The overall program attendance was 770 people and 540 books were read by our participating patrons in the month of June.

Other Projects/Duties

Café

- We sold 975 individual items for the 21 days that we were open and we made \$3,496.87 in sales.

Marketing (The majority of these items involve the creation of flyers, taking and posting photos, filming and editing videos, responding to citizens via direct message, and interacting with the public on social media platforms.)

- Created 3 newsletters for May for New Releases for Books, Gallery 434, and Library & Café News.
- Created a total of 21 flyers for the month of May for the library, café, city, & HCLS.
- Created 2 book rivers on TLC Catalog to honor monthly observances highlighting our collection which were Pride Month & Great Outdoors Month
- Created 2 shelves in cloudLibrary in honor of monthly observances highlighting our collection which were for Pride Month & Summer Reading Program.
- Created 3 book displays for the month of May – 1 for young adults “Dive into the Library”, 1 for adults “Explore an Ocean of Books”, and 1 for the Children’s section “An Ocean of Possibilities”.
- Posted 309 items across Facebook, Instagram, and Twitter for the Library, Café, HCLS, and City.

Administration/Collection Management/Development

- Held interviews for part-time library aide and started training new staff member.
- Prepared and submitted the 2022-2026 Capital Outlay Request.
- Awarded ALA Covid Relief Grant in the amount of \$20,000 and have started researching, with the help of IT Interim Director, different server solutions to potentially purchase in August.
- Submitted 2nd Performance Report regarding our Digital Navigator Grant as well as our first Request for Funds for reimbursement through the GMS portal provided by the Texas State Library and Archives Commission.
- Worked on Collection Development for cloudLibrary and used the final Hidalgo County Library System funds from 2021, obtained the remaining Battle of the Book titles with city funds that are used by M.I.S.D., as well as standard collection development for adult, young adult, and children’s titles for the month.
- Obtained all 3 quotes and W9’s from vendors for the replacement and expansion of the teen shelving and submitted them to Urban County for procurement.
- Deposited Hidalgo County Library System check and proceeded to obtain a proposal for exterior repairs to the library building and with the approval of City Manager obtained purchase order and proceeded with scheduling repairs. Repairs should begin on the 3rd week of July.
- Continued working on scheduling electrical companies to visit HEB Park for additional electrical pedestals and receptacles to continue to expand the Christmas décor on a yearly basis as requested and funded by EDC. Projected deadline is August 5th.
- Dealt with a total of 5 library employees contracting Covid which required changes to the library hours, library staff schedules, and duties.

- Prepared agenda, minutes, and other documentation for library board meeting and hosted meeting on June 23rd.
- Assisted in coordinating the job fair with Workforce Commission as well as Public Works and the Recreation Department which involved marketing, assisting employers in registering, purchasing supplies for the event, and confirming the actual set-up.
- Preparation and promotion began for the tribute of Dr. Hinojosa-Smith, to be held on July 25th, with assistance from Dr. Samuel Garcia.
- Obtained more donations for our Summer Reading Program, instructed vendors for celebration event, prepared all the door & grand prize packages, and with the assistance of the City's Public Information Officer also created a promotional video.
- Installed new art exhibits for the month of June which were: staff art from personalized after hour art classes, hand crafted items by Daniela & Benita Alejo, and a yellow flowers photography exhibit by Fred Goldsberry.
- Senior Cataloger continued to delete patrons that no longer have an active card but were mistakenly not purged by TLC. She is 30% complete. There are about 3,000 to be reviewed manually.
