LIBRARY MISSION STATEMENT

The mission of the Dr. Hector P. Garcia Memorial Library is to inform, educate and entertain through a variety of formats with the purpose of strengthening our community.

To deliver on this promise, we rely on four great resources – our staff, our collections, our space and our set of core values.

Our Core Values

Support Intellectual Freedom

A democracy is dependent upon free and open access to ideas, and we serve our patrons as a strong advocate of this belief by providing free and equitable access to information.

Promote Lifelong Learning and Literacy

We value the love of reading, and we comprehend the ability reading has to expand horizons, which is why we encourage lifelong learning and support every patron in this endeavor through a variety of services.

Form Strong Partnerships

We understand the importance of community and work to create partnerships with non-profits, businesses, educators and community groups.

Respect and Embrace the Community

We support the diversity of our community and strive to guarantee that all our visitors feel welcomed by having all of their needs and expectations treated equally.

Adapt and Innovate

We recognize the evolving needs of our information consumers, and we continuously adapt what we do and how we do it. We are a learning organization, which invests in our staff, technology and infrastructure.

No new library cards will be issued within 15 minutes of closing time.

LIBRARY COLLECTION

The library collection also consists of numerous magazine titles geared toward different age groups such as children's, young adult and adults. Along with magazines, the library subscribes to various local newspapers. Both these collections assist our patrons in remaining knowledgeable with current events and trends at the local and worldwide level.

The library also has in its collection DVD and Blu-Ray discs. Those items are classified by genre. The genres consist of the following seventeen categories: Action & Adventure, Classical Animation, Classics, Comedy, Documentary, Drama, Family & Kids, Foreign, Horror, Mystery & Suspense, Romance, Sci-Fi & Fantasy, Spanish, Special Interest, Sports & Fitness, Television Series and Westerns.

Finally, the library also includes within its collection historical documents and items whose value is priceless in connecting the community to its heritage. While this listing encompasses all the material we currently have in our collection, by no means does it limit its growth. It is a priority of the library to remain current in the informational needs of its community and with the ever changing formats that information is made available to the public. Staff welcomes suggestions for the growth of the collection from all library patrons.

LOAN LIMITS AND LOAN PERIODS

The Hector P. Garcia Memorial Library wants all the material in its collections to be utilized by the community for their research, information or entertainment needs. However, certain borrowing policies do exist to encourage the timely return and accessibility of the material.

The collections limited to in-house circulation include all magazines, newspapers, rare books and reference material.

All other collections are available for check-out with a library card issued from the Dr. Hector P. Garcia Memorial Library, as well as a library card from any other Hidalgo County Library, which include the Sgt. Fernando de la Rosa Memorial Library, Donna Public Library, Dustin Sekula Memorial Library, Elsa Public Library, Hidalgo Public Library, La Joya Municipal Public Library, McAllen Public Library, Speer Memorial Library, Pharr Memorial Library, San Juan Memorial Library, Mayor Joe V. Sanchez Public Library and Peñitas Public Library.

A patron may check out a total of 10 items per library card regardless of age. However, no more than 8 audiovisual materials may be checked out per adult library card.

A patron may not use another patron's card to check out material unless they are the responsible party for that account. For example, a mother may check out items on her child's card, but not on her husband's card, since every adult is their own responsible party.

Books are available for loan periods of 28 days or 14 days depending on the status of the book. New books have a limited loan period of 14 days due to high interest and limited copies. Books in our regular collection may be borrowed for an extended period of 28 days. Renewals are allowed as long as the book has no hold.

Audiovisual material such as Blu-Ray's and DVD's may only be borrowed by an adult on their library card.

Blu-Ray's and DVD's may be borrowed for only a 5 day period and a total of 2 renewals are allowed.

Renewals may be done in person, online through our catalog or by phone.

All material must be borrowed 10 minutes prior to closing time.

Appendix B provides a table with loan limits and loan periods.

INTERLIBRARY LOAN POLICY

The Dr. Hector P. Garcia Memorial Library makes every attempt to provide a well-rounded collection. However, it is impossible to carry every topic or author a patron is requesting. In order to be able to accommodate as many requests as possible, the library participates in an interlibrary loan program with local libraries and libraries across the United States.

The interlibrary loan program is provided free of charge to our patrons. However, a patron is responsible for any fines imposed by the lending library. The patron is also responsible for any damage or loss of the material.

A patron is only allowed to request 2 interlibrary loans within a 14 day period. Patrons will be notified by phone or email when their loan arrives. A loan must be picked up within 5 days, if not the item will be returned to the lending library.

The loan period and renewals are dependent upon the rules of the lending library. The due date on the wrapper of the loan item states the date the item must be returned to the Dr. Hector P. Garcia Memorial Library. If a patron is interested in requesting a renewal, it must be requested to library staff 3 days prior to the listed due date.

If a patron is interested in submitting an interlibrary loan request there are requirements that the patron must fulfill.

- The patron must have a library card with a Hidalgo County Library System member.
- The patron must have an account in good standing with no fees or fines owed on their library account.
- The patron's interlibrary loan account must be in good standing with no interlibrary loan materials overdue at the time of the request.

When requesting an interlibrary loan please bear in mind that the library will not borrow:

- Ebooks and downloadable audio.
- Musical recordings or software in any format.
- Original books printed before 1950. However, we will try to borrow these materials in reprint if available.
- Items published within the last 3 months, as these are generally in a library's new books or bestseller category.
- Items that are owned by the Dr. Hector P. Garcia Memorial Library, unless all copies are lost, missing or checked out.

BORROWING FEES AND FINES POLICY

When borrowing material from the Dr. Hector P. Garcia Memorial Library, a patron is not only agreeing to our loan limit and loan period but to any associated fines or fees for damages, overdue, or lost items. If a patron is in violation of any of our policies regarding borrowing, their account will be blocked and various services will not be available until the account is cleared.

Items are considered overdue if they are returned one day after the listed due date. Overdue fines for books are 10 cents per day and can continue to accrue to the original cost of the book. Overdue fines for audiovisual material are \$1.00 per day and can continue to accrue to the original cost of the audiovisual material.

Overdue notifications are delivered by e-mail, text or mail based on your preference when establishing your library account. The first notification will be sent out after the item is overdue by 7 days.

Patrons are responsible for paying the full purchase price of the item when the item has been lost while borrowed on their account. The library will not hold patrons responsible for items lost or damaged in a fire, flood or theft when documented by a police or insurance report. If an item is found within 30 days and it was paid for, a refund can be issued by bringing the item and the receipt to the library. The library will only refund the cost of item and not any associated fees such as processing or possible damage fees. Refunds will be issued by mail from the City of Mercedes Finance Department within 30 days of the refund request.

Damages to our material are determined by the ability to continue to use the material for circulation. If an item can no longer continue to circulate and it must be withdrawn due to damages such as missing pages, water damage, pages stuck together, stains, broken or severely scratched disks, etc. then the charge will be the full purchase cost of the item.

Other damages such as torn pages, missing barcodes, missing due date cards, broken cases, etc. are charged on a per damage basis.

Appendix C lists the various fines and fees which have been approved by the Library Board, City Manager and City Commission.

For the laptop borrowing fees and policy please view Equipment Loan Policy.

COMPUTER USE AND WIRELESS ACCESS POLICY

Introduction

To fulfill its mission of providing public access to all types of information in a wide range of formats, The Dr. Hector P. Garcia Memorial Library provides access to Internet resources. The Internet provides access to local, national and international sources of information. Not all information accessed through the Internet is accurate, complete, dated, unbiased or inoffensive to certain individuals. It is a patron's responsibility to evaluate the validity and appropriateness of the information. The library is not responsible for the information on sites which are not maintained by the library. The same procedures used for selecting material are used when selecting what the library website links to.

- Computers are not to be used for any activity that violates United States or local laws, which include copyright and child pornography laws.
- Computers are not to be used to attempt to access the library's network or any other networks i.e. hacking.
- Computers are not to be used to transmit threatening, harassing and/or offensive material.

The software installed on Internet-accessible computers at the Library protects against access to visual depictions of obscenity, child pornography and material that is harmful to minors.

COMPUTER USE AND WIRELESS ACCESS POLICY

Computer Use Guidelines

Patrons are required to have a library card and an account in good standing in order to use the computers at the Dr. Hector P. Garcia Memorial Library. An account is considered in good standing if there are no fines or fees owed on the account. A physical library card does not need to be presented for computer use but verification of the patron through our library system either by identification, date of birth, or full given name is required. If a patron does not have a library card, then only a 30 minute-period will be granted per day.

Patrons are required to sign in with a staff member on a daily basis in order to use a computer. Use of the library's computers is on a first-come, first-serve basis. Patrons using a computer will have a time limit of one hour. Patrons using the library's computers agree as a condition of use that if anyone else needs to use a computer, the current user will make the computer available within 5 minutes of being notified by a staff member. If a patron is in fact asked to relinquish a computer due to a high demand, then the patron may immediately sign up again, but they will be at the bottom of the sign in list. If there are no patrons waiting to use a computer, then the use can be for the duration of the patron's visit. Computer use must cease 15 minutes prior to closing time.

Patrons ages 2 to 12 are required to use the computers available in the Children's Department. Patrons ages 13 and up are required to use the computers available in the adult section of the library. There is a limit of one patron per computer, exceptions to this rule must be approved by library staff but are limited to a maximum of two patrons per computer.

For a patron age 2 to 6, a parent is required to remain with the child at the computers in order to assist them and monitor their Internet use. The library staff does not act in the place of a parent to restrict what a child may access. For patron's age 7 to 12, a parent does not need to remain by the child's side, but the parent must remain in the building as discussed in the Unattended or Disruptive Children policy.

EQUIPMENT LOAN POLICY

Aside from desktop computers the Dr. Hector P. Garcia Memorial Library also provides laptops for library use only. The library recognizes that at times group work or other situations may make it necessary to checkout a device instead of using the standard desktop. The circulation rules for the laptop vary from those of the desktop computer.

Check-Out Procedure

- Only adult library card holders without fines or overdue items may check out a laptop.
- A patron must have a traditional library card account and not an E-card in order to borrow a laptop.
- Patrons are required to provide a current phone number each time a device is checked out.
- A patron must sign the Liability and Appropriate Use Agreement.
- The Liability and Appropriate Use Agreement must be renewed every 6 months along with the patron's mailing and email addresses.
- Laptops may only be borrowed for use within the library for a period of 2 hours.
- If more than 2 hours are required a total of 2 renewals are possible but the laptop must be presented to the library staff each time.

Fines and Damages:

- Laptops will accrue a rate of \$1 per hour with a maximum late fee of \$10.
- Any laptop taken outside of the library, or kept past library hours, will be considered stolen and patrons will be contacted to facilitate return.
- Stolen or lost items will necessitate a police investigation. A replacement fee of \$280 will be charged for lost or stolen device.
- A damage fee of up to \$100 will be charged to patrons who return a device damaged.

VISITOR POLICY

It is the goal of the Dr. Hector P. Garcia Memorial Library to make all visitors feel welcome and offer as many services as possible to any patrons that make use of our facility. While it is essential that a patron have a library card in order to borrow material for home use computers may be used by visitors without a library card.

Visitors are allowed the use of a computer for 30 minutes.

The right to use the facility as a visitor is only eligible to patrons that do not have a library card from any library in the Hidalgo County Library System. Also visitor use should not occur on a regular daily basis. If a patron is routinely using the computers as a visitor library staff will recommend the patron obtain an E-Card to continue using the computers.

UNATTENDED OR DISRUPTIVE CHILDREN POLICY

The Dr. Hector P. Garcia Memorial Library is a public place and as such is open to everyone for their use. We provide services to everyone regardless of their age, origin, interests and background. Therefore, as a public library, we are open to all kinds of people, and we do not discriminate.

As a library, we strive to provide a safe and welcoming environment to patrons of all ages, but as with most public places such as parks or malls, we cannot guarantee anyone's safety, especially that of minors. We are not a closely regulated environment, and as such we cannot keep track or be held responsible for each individual minor. At no time do library staff serve *in loco parentis*, meaning library staff do not and cannot legally assume authority in place of a parent, guardian or caregiver.

It is a parent's responsibility to maintain proper standards of behavior for their child and to regulate what information they view through the Internet and through physical formats such as books from our library. A parent of a child 12 years or younger must remain in the library with their child in order to control their behavior, monitor their activities and above all ensure their safety. Teens 13 and older may remain in the library without a parent or legal guardian.

If a child is found to be left unattended and contact cannot be made with the parent or legal guardian within 15 minutes, then the child will go into the care of the Mercedes Police Department. At no point can staff offer to care for the child, take them home or wait more than 15 minutes after closing for a parent of a child to arrive.

If a child is not behaving according to library rules, then the parent or legal guardian will be notified of the disturbance and held responsible for their behavior. Children are held to the same rules of behavior as adults. If the behavior cannot be controlled after a warning by staff, the child and their parent or legal guardian may be asked to leave. The same rule will apply to teens ages 13-17. Parents should be aware of the possibility of a minor 13 or older being asked to leave when determining if they should be in the library unattended.

The ages mentioned above serve as general guidelines of what is acceptable by library policy. In some cases minors 13 or older may not be capable of unaccompanied attendance, and the library will have to implement the guidelines for children 12 and under.

GIFT ACCEPTANCE AND SELECTION POLICY

The Dr. Hector P. Garcia Memorial Library relies on the generosity of its donors to build its various collections. If a patron believes they have material that would enhance any of our collections, they are welcome to bring it to the library in order for staff to review it and determine its value for our collection.

Please note that due to space constraints and limited processing resources, the library is unable to accept all materials offered to us. Items donated to the library should be in good condition in order to be considered for addition to the collection. The library reserves the right to dispose of unsolicited materials in any manner it deems appropriate.

Gifts of materials that are accepted by the library become the absolute and unconditional property of the library and cannot be returned to the donor for any reason. Once the library takes possession of an item, we are free to make all decisions with respect to retention, storage, processing, use and disposition of that item.

Materials which the library determines are not suitable for adding to the collection may be offered for sale or disposed of in accordance with the library established policies and procedures.

The library and its staff are not able to advise donors with respect to tax deductibility with regards to gifts and therefore encourages any of its donors to consult with their legal, tax and/or financial advisors before making a gift to the Hector P. Garcia Memorial Library.

The library is able to offer a receipt for any monetary donations.

LIBRARY TOURS POLICY

Library tours of the Dr. Hector P. Garcia Memorial Library are available for patrons and are encouraged by staff in order for patrons to become more comfortable with the library environment and its services. In order to schedule a tour, a two week notice is required, as well as a completed tour application. Groups must have at least five attendees and no more than thirty. Tours are only to be conducted during library hours and no later than 2 hours prior to closing. If the tour attendees are minors, then they are required to have at least one adult in order to monitor their behavior.

There are two types of tours available- educational or recreational. An educational tour will provide patrons with a tour of the library and all its collections. It will also introduce patrons to all our available services and programs, as well as provide a hands on lesson on how to use the library's online catalog. A recreational tour is geared mostly towards children 12 and under as it will include the reading of a story, the singing of songs and the making of a craft. A tour cannot be a combination of an educational or recreational tour due to the extensive time that both forms of tours require in order to be completed. Tours are limited to an hour long period per group.

If at any point a tour group becomes too disruptive and are ignoring the repeated warnings of the staff member conducting the tour, then the tour may be ended by the staff member.

Tour applications are available at both the Children's and Circulation Departments, our website or one can be faxed to you by calling our library.
